

Innovative technologies for joining advanced materials - TIMA24

November 07-08, 2024

ENROLMENT FORM

The form, completed and signed, together with the abstract will be sent by e-mail at the conference secretariat address (tima@isim.ro).

Participant (please complete in capital letters or by typewriter)	
Surname (select <input type="checkbox"/> Mr <input type="checkbox"/> Mrs <input type="checkbox"/> Ms):	Phone:
First Name:	Fax:
Position held:	E-mail:

Employer		
Name:		
Address:		
Country:		
Phone:	Fax:	E-mail:

Abstract Submission / Participation fee (VAT included)					
Before July 31, 2024*	After July 31, 2024	Papers in cooperation with authors / co-authors from ISIM	Papers with authors / co-authors from UPT and ASTR		
<input type="checkbox"/> 140 €	<input type="checkbox"/> 160 €	free of charge	<input type="checkbox"/> 100 €	first author	Includes attendance at the technical sessions, conference folder, coffee breaks, lunches and electronic proceedings of the conference.
<input type="checkbox"/> 100 €	<input type="checkbox"/> 125 €	free of charge	<input type="checkbox"/> 62.5 €	first author from the academic environment	
<input type="checkbox"/> 70 €	<input type="checkbox"/> 100 €	free of charge	<input type="checkbox"/> 50 €	student, master student, PhD student, under 35 years old researcher	
<input type="checkbox"/> 40 €	<input type="checkbox"/> 50 €			Regula attendant	

*For the papers whose summaries were accepted until August 31, 2022.

Title:

Authors:

Keywords:

Section:

- | | |
|--|--|
| 1 New joining technologies | 6 Quality of welded joints and welded structures |
| 2 Modelling and simulation of welding processes | 7 Engineering applications of surface coatings |
| 3 Specific problems in advanced materials joining | 8 Non-Destructive Testing (NDT) |
| 4 Characterization of advanced materials and joints | 9 Nanoscience, nanotechnology and composites |
| 5 Fracture mechanics, damage of advanced materials and remaining life assessment | |

Annex: Abstract of the paper (max. 400 words)
